STUDENT DUETS

(POP SONG METHOD)
AGES 4-11

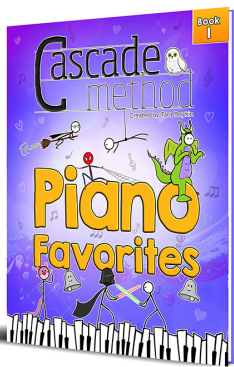

The pop song method edition of Student Duets teaches young students scales through ear training. The notes are laid out as they would appear physically, as in A, B, C.

STUDENT DUETS

(TRADITIONAL SHEET MUSIC)
AGES 8 AND UP

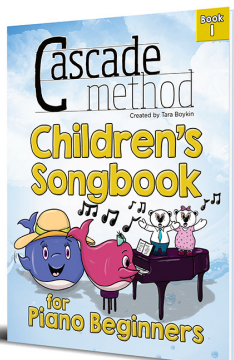

Best suited for intermediate students, this version of Student Duets is laid out as traditional sheet music.

PIANO FAVORITES

AGES 7-8 AND UP

Also using the pop song method, kids can learn “impressive” pieces super fast! This is also a great book to introduce to adult learners.

CHILDREN'S SONGBOOK

AGES 5-12

Also laid out with the pop song method, younger students will be able to play and learn DOZENS of hymns and pieces.

SUPPLEMENTAL BOOKS: UNIVERSAL PAIRING

100 DAYS TO PRACTICE BOOK 1 AND 2

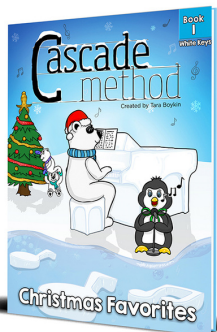

BEST SUITED FOR OLDER KIDS

Set up as a coloring book, each picture is designed with 100 coloring bubbles, encouraging kids to practice music for 100 consecutive days.

MONTHLY PRACTICE CHALLENGES BEST FOR YOUNGER STUDENTS

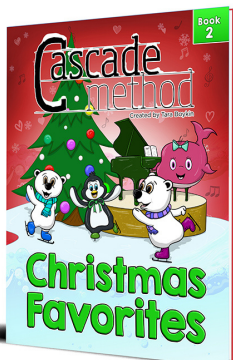

Also set up as a coloring book, this workbook is designed specifically with younger students in mind, since they tend to have shorter attention spans. Each month, there is a new monthly-themed picture to color in. Therefore, students have a fresh start every month rather than every 100 days!

CHRISTMAS BOOK 1: TWO VERSIONS AVAILABLE

AGES 8 AND UP

We designed Christmas Book 1 in White Key and Black Key versions since some teachers teach with one or the other. Using the pop song method, students can learn DOZENS of Christmas songs just in time for the holiday gatherings!

CHRISTMAS FAVORITES BEST FOR OLDER STUDENTS

Christmas Favorites Book 2 is laid out the same way as Christmas Book 1 and features 20 additional songs that are a little more complex, making it perfect for older students.

HALLOWEEN FUN! BEST FOR OLDER STUDENTS

Laid out as traditional sheet music, this piano book features 10 original Halloween-themed songs that your students will love playing during the spooky season!
